

## **EXPERIENCED FULL-STACK .NET DEVELOPER**

DEKIMO EXPERTS Louvain-la-Neuve, part of DEKIMO GROUP, delivers both services and advice in two specialized domains: the development of smart systems and software and the improvement of critical processes. Our consultants are involved throughout the whole software & system lifecycle (from design to homologation and production) and contribute to the strategy or critical missions for our customers in a wide variety of industry sectors (automotive, medical, aerospace...).

DEKIMO EXPERTS cares for strong relationships with a large existing customer base and has a focus on nurturing as well customer intimacy as relationship with its consultants.

DEKIMO EXPERTS is proud to count on long-lasting relationships with trusted customers and on highly skilled consultants.
