

MEDIOR/SENIOR V&V ENGINEER

DEKIMO EXPERTS Louvain-la-Neuve, part of DEKIMO GROUP, delivers both services and advice in two specialized domains: the development of smart systems and software and the improvement of critical processes. Our consultants are involved throughout the whole software & system lifecycle (from design to homologation and production) and contribute to the strategy or critical missions for our customers in a wide variety of industry sectors (automotive, medical, aerospace...).

DEKIMO EXPERTS cares for strong relationships with a large existing customer base and has a focus on nurturing as well customer intimacy as relationship with its consultants.

DEKIMO EXPERTS is proud to count on long-lasting relationships with trusted customers and on highly skilled consultants.

Want to join the team as **Medior/Senior V&V Engineer?**

Mission

- Validation of functional requirements / system architecture
- Main tasks: analysis of requirements and definition of validation methods, writing of test specifications, definition of test means and execution of tests)
- Specific criterion: experience in validating functional requirements / system architecture (SIL4) is a plus

General criteria of the profile

- Motivated over the medium term (min. 2 years) given the complexity of the systems to be validated and the duration (3-6 months) of training
- Can be integrated into a multi-disciplinary team: team spirit and capacity for autonomy in balance
- Analytical mind
- Rigorous

More :

Notions of software programming or hardware design experience in safety system validation (SIL4), eg. Aeronautics is a plus

Soft Skills:

- Fluent in English and French (Dutch is a plus)
- Passionate about technological challenges
- Customer oriented
- Stress-resistant
- Eager to learn new technologies and work in new environments

What we offer :

Besides an attractive remuneration package (permanent contract with advantages), we offer a human-centered and challenging environment to work in.

Send your CV to Joelle Walraevens : joelle.deluzy@dekimo.com if you want to join our team. We will contact you as soon as possible to discuss our future collaboration.
